

## Grant Guidelines and General Information

### Mission

Through Larry H. Miller Charities, the Larry H. Miller Group of Companies gives back to communities by focusing its united service and corporate giving on women's and children's issues, with an emphasis on health and education.

### General Information

Larry H. Miller (LHM) Charities is a charitable organization that operates as the 501(c)(3) public nonprofit arm of the Larry H. Miller Group of Companies. A board of trustees consisting primarily of Utah Miller-company employees meets every six weeks to consider grant applications that have passed an initial review and filtering process. Employee subcommittees located outside of Utah determine which requests in their communities will be taken under consideration (see contact information). Grants awarded range from \$500 and higher, with the average amount being around \$5,000. Requests for over \$10,000 will not be taken under consideration.

### Areas of Funding

Funding is provided to 501(c)(3) nonprofit programs and services that **directly benefit women and/or children who live in the communities where Larry H. Miller businesses are predominantly based. Emphasis is placed on the issues of health and education.** We will **not** consider applications that fall outside of our mission or our geographic area of funding. These locations include:

Utah – All areas (priority is given to communities located near LHM Group businesses)  
Arizona – Phoenix, Tucson  
California – Corona  
Colorado – Boulder, Colorado Springs, Denver  
Idaho – Boise  
New Mexico – Albuquerque  
Washington – Spokane

- Fall within one of the geographic areas listed above
- Go toward an organization that has been granted 501(c)(3) nonprofit status by the IRS

Priority is given to programs and projects that:

- Address critical or essential needs, particularly in the areas of health and education
- Assist those who are at-risk, low-income, underserved or underprivileged
- Create a long-term impact
- Demonstrate proven results

LHM Charities does **not** consider requests for:

- Nonprofits that have received funding from LHM Charities within the last 24 months
- Funding that benefits the general population instead of women and children primarily
