

Grant Guidelines and General Information

Mission

Through Larry H. Miller Charities, the Larry H. Miller Group of Companies gives back to communities by focusing its united service and corporate giving on women's and children's issues, with an emphasis on health and education.

General Information

Larry H. Miller (LHM) Charities is a charitable organization that operates as the 501(c)(3) public nonprofit arm of the Larry H. Miller Group of Companies. A board of trustees consisting primarily of Utah Miller-company employees meets every six weeks to consider grant applications that have passed an initial review and filtering process. Employee subcommittees located outside of Utah determine which requests in their communities will be taken under consideration (see contact information). Grants awarded range from \$500 to \$10,000, with the average donation being around \$5,000. Requests for more than \$10,000 will be rejected.

Areas of Funding

Funding is provided to 501(c)(3) nonprofit programs and services that **directly benefit women and/or children who live in the communities where Larry H. Miller businesses are predominantly based. Emphasis is placed on the issues of health and education.** We will **not** consider applications that fall outside of our mission or our geographic area of funding. These geographic locations include:

Utah – All areas (priority is given to communities located near LHM Group businesses)

Arizona – Greater Phoenix, Tucson

California – Corona/San Bernardino, Lemon Grove

Colorado – Boulder, Colorado Springs, Greater Denver

Idaho – Boise

New Mexico – Albuquerque

Washington – Spokane

Eligibility

Funding requests should:

- Specifically and directly benefit women and/or children
- Fall within one of the geographic areas listed above
- Go toward an organization that has been granted 501(c)(3) nonprofit status by the IRS
- Focus on direct program needs instead of overhead costs such as salaries, rent, utilities, travel, etc.

Priority is given to programs and projects that:

- Address critical or essential needs, particularly in the areas of health and education
- Assist those who are at-risk, low-income, underserved or underprivileged
- Create long-term impact
- Demonstrate proven results

LHM Charities does **not** consider requests for:

- Nonprofits that have received funding from LHM Charities within the last 24 months
- Funding that benefits the general population instead of women and children primarily

- Start-up groups (official 501(c)(3) nonprofit status **must** be in effect at least one year before applying)
- Pilot programs (programs should be fully operational at least one year before requesting funding)
- Individuals (including requests for financial assistance due to hardship)
- Donated vehicles (including requests for funds to help individuals purchase vehicles)
- In-kind donations (such as items for raffles or silent auctions)
- Travel, trips or hotel accommodations (including school or athletic trips and competitions)
- Capital campaigns or projects
- Fundraising events (dinners, golf tournaments, races, rides, etc.)
- Humanitarian trips or aid to those living in foreign countries
- Pageants
- Speaker engagement fees
- Sports teams (including school, youth, competitive, professional or recreational programs)

Application Process

To apply for funding, contact the Larry H. Miller Charities representative in the appropriate geographic area listed below and request a grant application form. If your program does not benefit women and/or children who live near one of the communities indicated below, it does not qualify for consideration.

If you are seeking funding for a specific public school, you must first go through your local school district or foundation office. If they endorse your request, the appropriate district or foundation personnel will then need to contact us for an application and submit it on behalf of your school.
