## Grant Application Information

Organizations may apply for only **one grant annually** and may not apply for multiple types of grants within the same year. Requests received after the submission deadlines listed below may not be reviewed until 2027.

Four types of grants are available for 501(c)(3) nonprofit organizations that primarily benefit individuals and families living in Utah:

### **1. General Operating (GO) Grants**

Requests of \$10,000 or less, with an average grant size of \$5,000. Applications are reviewed monthly. If your organization is a first-time applicant or is newer/smaller and does not have a program that primarily serves the west side of Salt Lake City, we recommend that you apply for a GO Grant. This application is simple and streamlined.

**Submission deadline: September 1, 2026**

### **2. Community Support Grants**

Requests of \$50,000 or less, with an average grant size of \$15,000 to \$25,000. Applications are reviewed monthly. This is a more advanced application that will require additional information and impact reporting.

**Submission deadline: September 1, 2026**

### **3. Westside Community Grants**

A small grants program for organizations that provide programs/services to individuals on the west side of Salt Lake City, with an average grant size of \$10,000 to \$25,000. Applications are reviewed monthly.

**Submission deadline: October 1, 2026**

### **4. Strategic Initiative Grants**

Requests of more than \$50,000. This requires submission of a one-page concept outline (letter of inquiry) to [julie.ramos@lhm.com](mailto:julie.ramos@lhm.com). If approved for further review, you will be asked to complete a full application.

**Submission deadline (for letters of inquiry): March 15, 2026**
